

Product Overview:

The LW-327 ListenWIFI 2 Channel Server Rack Mount allows for the installation of 2 channel Wi-Fi Audio Server into a standard 19" audio rack, taking up 1RU space. The rack mount is compatible with both the LW-110 and LW-160 ListenWIFI Audio Servers. The included mounting brackets allow for the server to be mounted on either the left or right side of the rack.

Highlights:

- Easily rack mount any 2 channel ListenWIFI Audio Server
- Designed specifically for the LW-110 and LW-160 Wi-Fi Audio Servers
- Includes all hardware needed for installation into a 1RU space

Includes:

One (1) Left side bracket (interchangeable)
One (1) Right side bracket (interchangeable)
