

**Product Overview:**

Listen Technologies’ LA-365 Rechargeable Lithium-ion Battery offers a combination of extended charge life and quick charging. Consistent, reliable, and long-lasting power make the battery a cost-effective choice while reducing the expense and environmental costs associated with frequent alkaline replacement.

Note: This product can ONLY be shipped via Ground.

**Highlights:**

- Environmentally friendly and long lasting
- Quick to recharge
- Each battery is backed by a one (1) year warranty

**Includes:**

One (1) LA-365 Replacement Rechargeable Li-ion Battery

Product Specification: Replacement Rechargeable Li-ion Battery	
<b>Power</b>	
Battery Type	Lithium-ion NP60
Battery Capacity	1200 mAh
Battery Voltage	3.7 V
Battery Cycle Life	3,750 - 4,700 Discharge Cycles @ 10% Depth of Discharge (DoD) before battery capacity drops to 70%, 2,000 - 2,500 @ 25% DOD, 1,200 - 1,500 @ 50% DoD, 300 - 500 @ 100% DoD
<b>Physical</b>	
Shipping Weight	1.0 lbs. (0.5 kg)
Weight	0.92 oz. (26.0 g)
