MH350

Streaming Headset

Applications:

Gaming
Streaming
Work-from-Home
Teleconferencing
Content Creation

Description

The MH350 streaming headset combines a high-quality set of headphones with a flexible, mutable gooseneck microphone which provide an ideal solution for gaming, streaming, work-from-home, teleconferencing, or content creation. The plush leather headband and earcups provide long-lasting comfort for extended use, and the over-ear design provides the perfect amount of isolation from unwanted environmental noises. The cardioid microphone automatically mutes when swiveled to the "up" position. Each set of MH350 includes an analog 1/8" (3.5mm) split headphone/microphone cable as well as a USB-A cable and USB-C adapter for maximum compatibility with most PC or Mac applications.

The MH350 Streaming Headset includes the following features:

- Closed-back earcups with 50mm drivers provide crisp, clear sound with enhanced isolation from unwanted background noise
- Detachable cable (1.7m/6.6')
- Plush leather materials make extended use more comfortable
- Includes 3.5mm headphone/microphone combo cable (2.4m/7.9'), USB-A cable (21cm/8.3") and USB-C adapter
- Compatible with most PC, Mac, mobile, tablet, and gaming systems
- 2 Year Warranty

Two-Year Limited Warranty

CAD Audio hereby warrants that this product will be free of defects in material and workmanship for a period of two years from the date of purchase. In the unlikely event that a defect occurs, CAD will, at its option, either repair or replace with a new unit of equal or greater value. In the event that a suitable replacement is unavailable, CAD Audio may elect to reimburse owner for the cost of local repairs or issue a refund in the amount of the original purchase price. Items must be purchased from an authorized CAD Audio dealer, and the warranty is not transferable from the original owner. Please retain proof of purchase to validate the purchase date and include it with any warranty claim.

This warranty excludes exterior finish or appearance, damage from abuse, misuse of the product, use contrary to CAD's instructions or unauthorized repair. All implied warranties, merchantability, or fitness for a particular purpose is hereby disclaimed and CAD hereby disclaims liability for incidental, special or consequential damages resulting from the use or unavailability of this product.

This warranty gives you specific legal rights and you may have other rights that vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above exclusions and limitations may not apply to you.

Note: No other warranty, written or oral is authorized by CAD Audio.

To initiate a warranty claim, please contact American Music and Sound at 1-800-431-2609 to obtain a return authorization number and shipping instructions.

- A return authorization is required for all returns. RETURNS WITHOUT A PRE-APPROVED RETURN AUTHORIZATION NUMBER WILL BE REFUSED.
- Please use at least 3 inches of padding surrounding the product for protection during shipment
- Retain your tracking number until your warranty claim has been resolved
- We recommend using an insured shipping method in case of loss or damage during shipment

If outside the United States, contact your local dealer or distributor for warranty details.
