

# PIXEL DRIVER 170IP

Pixel Driver 170IP™ is a professional, IP65, tape driver specifically designed for the Elation Pixel Tape 16IP and Pixel Tape 40IP. This driver provides simple and easy control options including a 3-button OLED Display, EL IR Remote (included), and one full universe of DMX control (170 pixels). The Pixel Driver 170IP features an easy-to-use OLED display, Pixel grouping, DMX IN and OUT, a 4pin XLR connector for LED tape output, and a 2pin connector for 12-24VDC power IN.

## FEATURES

The Pixel Driver 170IP™ is a professional DMX512, 12-24VDC LED tape driver that supports up to one full universe of DMX (170 pixels). Its small compact design allows for easy mounting and integration into any system. It features a 3-button LED control display, DMX IN and OUT 5-pin XLR connections, a 4pin XLR connector for LED tape output, and a 2pin connector for 12-24VDC power IN.
