

TYPHON™

IP PROFILE

1000W, IP66-rated LED Profile

Performance & Versatility

Typhon™ IP Profile 1000 is an IP66-rated, 1000W LED moving head fixture, engineered for outdoor use. With 540°/270° pan and tilt capabilities, electronic focus, and a motorized zoom range of 5°-40°, it offers unparalleled control, making it a versatile and essential tool for professional lighting designers.

Shaping & Visuals

It features a 4-blade framing shutter system that's rotatable up to 110°, along with 6 replaceable rotating gobos (+open) and 7 static gobos (+open). Additionally, it offers a bi-directional 4-facet rotating prism, frost filter, and an effect wheel, opening up endless possibilities for stunning visual effects.

Color & Creativity

With its CMY color mixing system + CTO filter, Typhon™ IP Profile 1000 offers a wide range of diverse hues that are easily accessible. Its 6-color (+open) color wheel allows for color indexing and variable speed rotation via DMX, enabling users to create spectacular colored rainbow lighting effects.
