Heavy-Duty Cast-Aluminum 6-in-1 RGBAW+UV LED Par

Durable Design, Premium Performance

The LB™ Hex Alloy delivers full-spectrum light from 18 x 18W RGBAW+UV high-output 6-in-1 LEDs, all housed in a rugged cast-aluminum body. It offers 26 standard and 32 Rosco® color-matched presets for instant access to a wide range of vibrant tones, and its convection cooling and temperature-controlled fan ensures quiet, reliable performance in any setting.

Advanced Control

It offers 6/8/11-channel DMX modes, RDM support, and flicker-free operation. Users can access built-in programs and sound-active modes via DMX or the menu, and CCT control in 11-channel DMX mode. Its rugged metal housing with locking bracket allows secure mounting, while 5-pin DMX and PowerCON® TRUE1-compatible in/out enable quick setup and reliable operation.
