

## POWER DISTRIBUTION BOX

The **Accu-Cable Power Bone T1ED** Power Distribution Box is designed to provide reliable and secure power distribution for event productions and permanent installations. With its innovative features, the Power Bone T1ED ensures convenient power connectivity.

Featuring IP65 locking power input and thru connections, this power distribution box offers a robust and secure power source. It also includes four Edison output sockets, allowing you to power multiple devices simultaneously. The two 5V USB sockets (5V-2.1A and 5V-1.3A) provide a convenient power or charging solution for your USB-powered devices.

Equipped with power indicator LEDs for both the input and outputs, the Power Bone T1ED keeps you informed about the power status at a glance. With a maximum daisy chain current draw of 15A, you can easily expand your power setup without compromising performance.

The IP20 rating ensures safe usage in dry locations, giving you peace of mind during temporary outdoor events. The compact dimensions of 8.85" x 4.72" x 4.37" (225x120x111mm) and a lightweight design of 3.96 lbs. (1.8 kg) make it easy to transport and set up or install without being an eyesore.

Included with the Power Bone T1ED is a quick-release, locking omega bracket for secure mounting, as well as a 6ft., 12 gauge, IP65 locking power connector to Edison cable for convenient connectivity.

Experience the power of efficiency and reliability with the Accu-Cable Power Bone T1ED. Take control of your power distribution needs and ensure seamless performances every time

## POWER BONE T1ED

### FEATURES:

- Seetronic, IP65 Locking Power input and thru connections
- 4x indoor Edison output sockets
- 2x USB sockets. USB1: 5V-2.1A, USB2: 5V-1.3A
- IP20 rated for dry location use only
- Power indicator LEDs for input & outputs

### ELECTRICAL:

- Power Input: 100-240VAC ~ 50/60Hz
- Maximum daisy chain current draw: 15A

### DIMENSIONS / WEIGHT:

- Dimensions (LxWXH): 8.85" x 4.72" x 4.37" / 225x120x111mm
- Weight: 3.96 lbs. / 1.8 kg.

### INCLUDED ACCESSORIES:

- Quick Release, locking omega bracket
- 6ft., 12 gauge, locking outdoor power to Edison cable

Includes Power Cable + Omega Bracket

4x indoor Edison output sockets

2x USB sockets. USB1: 5V-2.1A, USB2: 5V-1.3A
