

150W LED Spot Moving Head

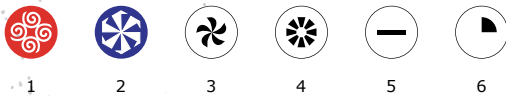

Ultra-Bright & Efficient

Hype™ 150 is small in size, yet features high output professional effects and eye-candy. It is super-bright thanks to its 150W white LED source, and it offers a 16° beam angle with motorized focus that will keep your light shows looking nice and sharp.

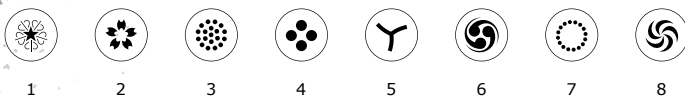

Pro Features, Seamless Control

It offers a 7-color +open color wheel and a split color DMX channel for intense mid-air beam effects. Users can even create amazing looking gobo morphing animations simply by shifting the focus between its 8x gobo static wheel, and its 6x gobo rotating wheel.

Rotating Gobos:

Static Gobos:

Main Features

- 150W, 8500K white LED light source, 50,000 hours
- Pan: 540°/tilt: 270° (8-16 bit resolution)
