LED Par with Lithium-ion Battery System & Wireless DMX

Pro-Level RGBALC Color & Effects

The SkyBox™ G2 RGBALC delivers professional wash effects and features 7x 15W high-output RGBALC LEDs, an ultra long-life intelion™ lithium-ion battery system, and built in AnyFi™ wireless DMX. It offers precise 25° lenses that provide excellent beam shaping and smooth, uniform color mixing for dependable performance on any stage or production.

Fully Loaded

This fixture offers a well-structured and easy-to-navigate OLED menu, 6/8/12-channel DMX profiles, built-in and customizable programs, a virtual color wheel, and 50 color presets including 32 Rosco® gel-matched selections. It also provides 5-pin DMX in/out, powerCON® TRUE1-compatible in/out, RDM support, 8 dimming curves, and adjustable refresh rates.
