

## IP65-Rated, RGB Pixel + White FX

### Imminent Impact

With a top and bottom row of 480x 0.5W RGB SMD 5050 LEDs and a center row of 240x 1W white SMD LEDs, the IP65-rated Sticknado™ Great White is designed to deliver an amazing display of colored pixels, strobe, and blinder effects. It also features DMX controllable electronic frost on the front lens. When applied, 0-100% diffusion of the RGB+W colors can be achieved.

### Fully Loaded

It offers a variety of channel modes, allowing full fixture wash effects or individual control of grouped LED pixels (up to 24 pixels per row). Multiple units can be aligned end-to-end with the included hardware, expanding design possibilities. With 33 built-in macros, 3 customizable programs, and smooth operation, this fixture excels in both stage and outdoor environments.

### Luminous Intensity

Beam	2.5M (clear)	2.5M (+frost)	5M (clear)	5M (+frost)
104°/110°	1,406	1,209	347	327

### Main Features

- Color mixing via 480x 0.5W RGB SMD 5050 + 240x 1W white SMD LEDs
- Electronically controlled clear/frosted smart lens
- Viewing angle: 104° (110° with frost)
- Built-in color and pixel chase macros via DMX
- Virtual color wheel effects
- 33 built-in macros and 3 customizable programs
- IP65-rated outdoor LED fixture
- Efficient convection cooling
- Dual mounting brackets with locking knobs
- Interlocking housing design
- 5-pin DMX in/out + powerCON-compatible AC in/out connections

Note: Sticknado™ Hammerhead and Sticknado™ Great White fixtures both share the exact same interlocking housing design, allowing them to be seamlessly connected together!

#### Optical

480x 0.5W RGB SMD  
5050 LEDs

240x 1W white SMD LEDs

Electronic frost

Viewing angle: 104° (110°  
with frost)

#### Weight & Dimensions

39.4" x 5.9" x 6.6"  
(1000.3 x 149.4 mm x  
167 mm)

19 lbs (8.6 kg)

#### Control

USITT DMX-512, RDM

5-pin DMX in/out

Multiple DMX channel  
modes + pixel mapping

4-button menu with  
OLED display

DMX512, M/S, auto mode

#### Power + Current

100-240VAC, 50-60 Hz

Consumption: 358W,  
3.15A, PF:.99

PowerCON® TRUE1-  
compatible in/out

#### Warranty + Certifications

2-year limited warranty
