TYPHON™
IP BSW

Outdoor-Rated, 400W LED BSW Moving Head with CMY

Built for the Elements

The Typhon™ IP BSW 400 is a 400W LED beam, spot, and wash moving head built for outdoor performance. Its IP66-rated housing protects against dust, rain, and humidity, while the 400W white (6800K) LED with CMY color mixing delivers bright output and rich colors. With a linear zoom range of 3–38°, it transitions easily from tight aerial beams to wide, even washes.

Loaded with Options

It offers 7 rotating gobos, 10 fixed gobos + 2 beam reducers, dual rotating prisms, motorized focus and frost, and an 8-color + open color wheel with bi-directional color flow effects. Its intuitive TFT LCD control menu with touch-sensitive buttons, RDM support, and weatherproof DMX and power connections ensure dependable operation in any environment.

Luminous Intensity

Lux/M	10M	15M	20M
3°	27,759	12,244	6,865
38°	650	309	177

Main Features

- IP66-rated, 3-in-1 BSW LED moving head
- 400W white (6800K) LED light source, 20,000 hrs
- CMY color mixing, 8-color + open color wheel + CTO
- Rotating gobo wheel with 7 gobos + open
- Fixed gobo wheel: 10 gobos, 2 reducers + open
- 3–38° linear motorized zoom
- Motorized focus and frost effects
- 3/4-facet circular rotating prisms
- Pan: 540°, Tilt: 270° (8-/16-bit resolution)
- 0–30Hz strobe with variable, pulse, and random effects
- RDM support (Remote Device Management)
- 5-pin DMX input/output
- PowerCON® TRUE1-compatible power input/output
- ATA-spec flight case (included)

Optical

Light source: 400W white LED, 20,000 hrs

CCT: 6800K
