

VISION.NET DIN RAIL ENCLOSURE - LARGE

Date: _____
Type: _____
Firm: _____
Name: _____
Project: _____

The Vision.Net DIN Rail Enclosure allows easy installation of DIN rail mountable Vision.Net modules. The NEMA 1 rated enclosure includes four 35mm DIN rails, making it easy to mount and secure Strand Vision.Net and third-party DIN rail components. The enclosure is surface mountable for use in any application and includes 1/2" and 3/4" knockouts for conduit or non-metallic (NM) connectors, simplifying installation. It also has an adjustable voltage barrier, allowing you to configure the enclosure however you need it.

- Standard 35mm DIN Rail – easily integrate Vision.Net and thirdparty DIN rail components
- Surface mountable – install wherever you need it
- NEMA 1 rated – secure your control devices from unauthorized access or damage
- 1/2" and 3/4" knockouts – connect conduit or non-metallic (NM) connectors without drilling into the box
- Adjustable voltage barriers (2 horizontal, 1 vertical) – configure your enclosure to meet your needs

Specifications

Due to continuous improvements and innovations, specifications may change without notice.

Certification and Safety

Conformity	ANSI/UL 50/50E, CSA C22.2 No. 94.1/94.2, NEMA Type 1, DIN 43800, IEC 60715
------------	--

Installation

Mounting	Flush or Surface Mount
DIN Modules (standard unit)	96SU
DIN Rail	4x TS35/7.5, 19.69 in. (500 mm)
Mounting Holes, Flush Mount	2x Thru-hole style per side *Reccomended 1/4" Rounded Head Fastener (not included)
Mounting Holes, Surface Mount	4x Thru-hole style, rear *Reccomended 5/16" Rounded Head Fastener (not included)
Knockouts - Trade Size	30x 1/2" or 3/4" (combined knockouts)
Class 1/2 Voltage Separation	Adjustable Voltage Barrier
Ground/Earth Connection	Self-clinching stud #10, 10-32 bonding nut
Maximum installed device height	86 mm (3.39 in)

Dimensions

Physical

Construction	Cold Rolled Steel, 18 gauge
Color	Black, Fine texture, powder coated
Dimensions with cover (H x W x D)	716 x 545 x 105 mm (28.19 x 21.45 x 4.15 in)
Weight with cover	9.84 kg (21.7 lb)
